BEFORE THE

PUBLIC UTILITY COMMISSION OF OREGON

ARB 853

In the Matter of ATL COMMUNICATIONS and QWEST CORPORATION Negotiated interconnection agreement submitted for Commission approval pursuant to Section 252(e) of the Telecommunications Act of 1996

JOINT MOTION TO REPLACE EXHIBIT A WITH CORRECTED EXHIBIT A DUE TO SCRIVENER'S ERROR

Qwest Corporation ("Qwest") hereby files this motion to replace Exhibit A due to a scrivener's error. This motion is necessary because the parties submitted, and the Commission approved, an interconnection agreement that had an error in Exhibit A- Rates. Specifically, Exhibit A, section 6.1, Wholesale Discount Rates, contained the proposed discount rates which the parties had previously advocated in negotiations, but which were rendered moot when ATL Communications ("ATL") agreed to Qwest's proposed discount rates. The parties then submitted a negotiated interconnection agreement, which the Commission approved. However, the parties inadvertently included the negotiation Exhibit A that had both parties' wholesale discount rate proposals prior to agreement on this issue. Accordingly, Qwest hereby moves to replace the Exhibit A with the corrected Exhibit A. ATL joins in this motion.

MOTION

On July 10, 2008, Qwest filed a negotiated interconnection agreement ("ICA") pursuant to section 252(e) of the Telecommunications Act of 1996, 47 U.S.C. § 151 *et seq.* (the "Act"), and OAR 860-016-0000 *et seq.* However, unbeknownst to the parties at the time, Exhibit A-Rates, which contains the rates in the ICA, including the applicable wholesale discount rates for resale services in section 6.1 of the ICA, contained the wrong section 6.1. Specifically, section

6.1 contained the discount rates that Qwest had proposed (17%), which the parties ultimately agreed to, *and* the discount rates that ATL had previously proposed (22%). However, ATL had subsequently agreed to the 17% discount rates, and thus ATL's previous 22% discount rate proposal should not have been filed.

Qwest then filed the ICA with the Commission on July 10, 2008. The Commission later approved the ICA on September 2, 2008. Order No. 08-440. However, as stated, there was an incorrect section 6.1 of Exhibit A in the ICA that the Commission approved. The filing had the incorrect section 6.1 of Exhibit A of the ICA due solely to a scrivener's error.

Accordingly, Qwest respectfully moves to replace the Exhibit A with a corrected Exhibit A that has the correct section 6.1 wholesale discount rates of 17%.

Dated: September 26, 2008

Respectfully submitted,

QWEST CORPORATION
