To Whom It May Concern:

I am writing to cancel the Certificate of Authority for Willamette University, Company ID 8256. This was set up years ago because Tokyo International University of America (TIUA) resided on our campus, and it was believed that this was needed in order for them to use phone and internet services on our campus.

TIUA no longer resides on our campus as of March of 2020. It is possible that they will be re-established at some point in the future, but if so, they will be a non-profit that is part of Willamette University. There is no need to consider Willamette University as a Telecommunications Services Provider.

Thank you for your help with this matter.

Sincerely,
