Re: CP1293 - SunGard Network Solutions Inc.
Request to Cancel Certificate of Authority

Dear Ms. Shepherd:

SunGard Network Solutions Inc. (“SNS”) holds CP1293 to provide competitive intraexchange and interexchange telecommunications services in Oregon issued by the Oregon Public Utility Commission (“Commission”). See Order No. 05-929, entered Aug. 19, 2005. SNS respectfully requests that the Commission cancel CP1293 for the reasons set forth below.

After the Commission issued CP1293 to SNS in 2005, SNS provided dedicated, point-to-point services to a very limited number of customers in Oregon pursuant to customer-specific contracts. However, SNS no longer provides such dedicated services to any customers located in Oregon. SNS further understands that its previous customers in Oregon have contracted with other service providers. SNS accordingly requests that the Commission cancel CP1293 effective March 1, 2017.

If you have any questions regarding this request to cancel CP1293, please call or email me. Thank you for your attention to this matter.

Very truly yours,

/s/ Thomas F. Bardo
