Re: CP 1331, Cancellation Request, TransUnion Teledata LLC

To Whom It May Concern:

Please accept this request to cancel the certificate of authority for TransUnion Teledata LLC. TransUnion Teledata LLC no longer provides telecommunications services in Oregon. TransUnion Teledata LLC has no active Oregon intrastate customers that would require 90-day notification of abandonment of service.

Sincerely,

A handwritten signature in black ink that reads "Keith McCawley".
