Re: URP Request for Oral Argument in DR10/UE88/UM989

Dear ALJ Grant:

PGE writes to respond the request of URP and the class-action plaintiffs for oral argument in the above-referenced docket. PGE believes the Commission can properly deny the request for oral argument under OAR 860-014-0023. That rule requires that parties seeking oral argument schedule a date for oral argument "at the prehearing conference or as soon thereafter as possible." OAR 860-014-0023(4). Here, URP makes its first request for oral argument in a reply brief, months after the prehearing conference.

However, if the Commission concludes that oral argument would be helpful to its resolution of this case, PGE will be pleased to participate and requests only that oral argument be scheduled promptly so as to avoid any possible delay in the Commission's schedule.

Very truly yours,
