Re: *Docket No. 34*
Filing of Wholesale Advantage Services Agreement by Eschelon Telcom of
Washington, Inc. and Advanced Telcom, Inc.

Dear Sir/Madam:

It is my understanding that Eschelon Telecom of Washington, Inc. and Advanced Telecom, Inc. ("Eschelon") are withdrawing the filing of their petition in DR 34, relating to the Wholesale Advantage Services Agreement, filed on August 17, 2005. In light of that withdrawal, please consider this letter a request that my earlier letter of October 4, 2005 also be withdrawn.

Verizon concurs that Eschelon should be permitted to withdraw its filing in this docket.

Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "T. J. O'Connell", written over a horizontal line.

Timothy J. O'Connell
