4 In the Matter of

5 PORTLAND GENERAL ELECTRIC
6 COMPANY,

7 2019 Integrated Resource Plan

STAFF MOTION TO MODIFY
PROCEDURAL SCHEDULE

8 Pursuant to OAR 860-001-0420, Staff of the Public Utility Commission of Oregon (Staff)
9 moves to modify the procedural schedule for the remainder of this docket. Staff has contacted
10 the parties to this docket regarding the proposed revisions. No party has objected to the proposed
11 revisions.

12 Portland General Electric Company (PGE or Company) filed its Integrated Resource Plan
13 (IRP) Reply Comments on November 5, 2019. PGE is also providing additional analysis on two
14 issues at the PGE IRP round table on November 21, 2019. These two issues may impact Staff's
15 review and analysis of the IRP and will require additional review and follow up. To adequately
16 address PGE's Reply Comments and these other issues, Staff proposes changes to the procedural
17 schedule that allow more time for review and discovery prior to filing Staff and Intervenor Final
18 Comments. Inserting additional time for these Final Comments created a need for the remaining
19 events in the procedural schedule to shift as well. Staff has consulted with PGE on these
20 proposed changes and confirmed that PGE agrees with the below changes. Staff also circulated
21 the proposed schedule changes to the LC 73 service list and requested that any objections be
22 provided to Staff by November 19, 2019. No objections were received.

23 Staff proposes the following schedule changes:

Note: The expedited data request response turn-around that the parties previously agreed to will continue from the date of this motion and end on 12/17/2019.		

For the foregoing reasons, Staff respectfully requests that the administrative law judge grant Staff's request to modify the procedural schedule as indicated above.

DATED this 20th day of November, 2019.

Respectfully submitted,
