

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 77

In the Matter of
PACIFICORP d/b/a PACIFIC POWER,
2021 Integrated Resource Plan

UNOPPOSED EXPEDITED MOTION
FOR EXTENSION FOR SIERRA CLUB
TO FILE OPENING COMMENTS AND
EXHIBITS

Sierra Club requests that ALJ Rowe grant a one-business-day extension for Sierra Club to file its opening comments and exhibits from Friday, December 3, 2021 to Monday, December 6, 2021. Although Sierra Club has been diligently working on its opening comments for months, unforeseen circumstances concerning the complexity of some of the underlying analyses in the IRP have slightly delayed Sierra Club from finalizing its comments by December 3. Sierra Club respectfully submits that the short delay will not cause any prejudice to any other party.

In light of the December 3, 2021 deadline for Sierra Club to file opening comments and exhibits, Sierra Club requests that the Commission consider this motion on an expedited basis. On December 1, 2021, Sierra Club contacted the parties to this proceeding regarding this motion. New Sun Energy, Northwest & Intermountain Power Producers Coalition, Renewable Energy Coalition, Oregon Citizens' Utility Board, and NW Energy Coalition support this motion. Staff and Renewable Northwest do not oppose this motion. AWEC and PacifiCorp take no position, and no other party has indicated a position.

Dated: December 2, 2021

Respectfully submitted,
