STAFF MOTION TO MODIFY  
PROCEDURAL SCHEDULE

*[Expedited Consideration Requested]*

10 Staff of the Public Utility Commission of Oregon (Staff) moves to modify the procedural  
11 schedule for this docket. Expedited consideration is requested given the currently scheduled  
12 deadline for Staff and Stakeholder Round 1 Comments is October 13, 2023. Staff contacted the  
13 parties to this docket via email regarding this motion on October 9, 2023. The following Parties  
14 indicate they have no objection to the motion: PacifiCorp, Oregon Citizens' Utility Board,  
15 Alliance of Western Energy Consumers, Sierra Club, Climate Solutions, NewSun Energy LLC,  
16 Renewable NW, Fervo Energy Company and Swanlake North Hydro, LLC/FFP Project 101,  
17 LLC. Pine Gate Renewables LLC had not stated its position at the time of filing this motion.

18 Staff proposes an additional extension of time for filing Staff and Stakeholder Round 1  
19 Comments due to the recent change in lead Staff assigned to this docket and the time that has  
20 thus far been required to prepare and finalize Staff Comments. Following the first extension of  
21 the deadline for Round 1 Comments, Staff has determined additional time is necessary to prepare  
22 meaningful and comprehensive comments. Staff therefore proposes the following procedural  
23 schedule modifications:
