Re: UE 161 - Settlement Discussions and Request to Change the Procedural Schedule

Dear Judge Kirkpatrick:

On June 11, 2004, representatives from the Industrial Customers of Northwest Utilities (“ICNU”), Staff of the Oregon Public Utility Commission (“OPUC” or the “Commission”), the Citizens’ Utility Board (“CUB”), and Portland General Electric Company (“PGE”) attended the second settlement conference in OPUC Docket No. UE 161. These parties agreed to continue settlement discussions on June 15, 2004. In order to accommodate further discussions, ICNU, Staff, CUB, and PGE request the procedural schedule be amended to extend the date for the following events by two days: 1) Staff and Intervenor Response Testimony; 2) PGE Rebuttal Testimony; and 3) the one-day hearing. The remaining dates in the schedule would remain the same as the revised schedule you adopted on June 10, 2004. This change would result in the following schedule:

<b>EVENT</b>	<b>DATE</b>
Staff and Intervenor Response Testimony	June 30, 2004
One day only settlement conference	TBD
PGE Rebuttal Testimony	August 11, 2004
Parties file statements of intent to conduct cross examination	August 18, 2004
One day only hearing	August 27, 2004
PGE files MONET update	September 8, 2004
Parties file simultaneous opening briefs	September 17, 2004
Parties file simultaneous reply briefs	September 29, 2004
Oral Argument	TBD
