Re: UE 178

Dear ALJ Grant:

On January 8, 2009, Portland General Electric Company's (PGE) submitted a revised October 2008 Tax Report for Calendar Year 2007 in this docket. In that filing, PGE stated that it would like to work with Staff to make any necessary modifications in the UE 178 schedule to permit Staff and the other parties to review the revised filing and to respond, if necessary, with testimony regarding PGE's proposed revisions. PGE and Commission Staff have now conferred and agreed to request the following changes to the procedural schedule in this docket¹:

| Event | Original Schedule | Amended Schedule |
|----------------------------|-------------------|-------------------|
| Staff/Intervenor Testimony | January 13, 2009 | January 28, 2009 |
| PGE Rebuttal Testimony | February 5, 2009 | February 17, 2009 |
| Hearing | February 23, 2009 | February 25, 2009 |
| Simultaneous Briefs | March 10, 2009 | March 11, 2009 |

As with the original schedule, following the filing of Staff and Intervenor testimony, parties will respond to data requests within 5 business days. In addition, following the filing of PGE's rebuttal testimony, PGE agrees that it will use all reasonable efforts to provide responses by noon on February 24, 2009, to any data requests received before close of business on February 18, 2009.

PGE respectfully requests that the schedule in this docket be amended accordingly.

Very truly yours,
