UE 189

In the Matter of)	
)	
PORTLAND GENERAL ELECTRIC)	MOTION FOR
COMPANY)	AMMENDMENT
)	TO SCHEDULE
Request to Add Schedule 111, Advanced)	
Metering Infrastructure (AMI))	
_____)	

Pursuant to OAR 860-013-0031, Portland General Electric Company (PGE) moves for an amendment to the schedule in this docket. Specifically PGE requests that the date for filing of its opening testimony be postponed three weeks. The reason for this request is because Systems Acceptance Testing of the proposed AMI project has been pushed back due to a delay in delivery by the vendor of the necessary software.

If granted, this delay will allow additional scheduling flexibility in this docket. To fully assess the impact of the delay and potential scheduling in this docket, PGE commits to work with the other parties to propose a revised schedule for the remainder of this docket and, if a schedule is agreed to, submit it to the Commission. If there is not agreement on the remainder of the schedule PGE will notify the Commission and request a scheduling conference to establish the remainder of the schedule for this docket.

PGE has discussed this request with as many of the other parties as we could reach in this shortened time. The Commission Staff, the Citizens' Utility Board, Industrial Customers of Northwest Utilities, PacifiCorp, Northwest Natural Gas, and Oregon Department of Energy do not oppose this motion. The Community Action Directors of Oregon could not be reached at the time this motion was filed.

For the reasons stated above, PGE requests that the schedule in this manner be amended.

DATED this 29th day of June 2007.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "J. Jeffrey Dudley", is written over a horizontal line.
