Judge Grant

We just discussed on the phone ICNU's request for a extension of time to file testimony in this case.

This email respectfully requests that you grant a limited two-day extension of time to file one of ICNU's exhibits in this proceeding: Highly Confidential Exhibit ICNU/104. ICNU's direct testimony and exhibits are due today, June 24, 2011.

Pursuant to OAR § 860-001-0420, ICNU has contacted all parties in this proceeding (PacifiCorp, the Citizens' Utility Board, Staff and Noble Americans Energy Solutions) and all parties either support or do not oppose ICNU's request for additional time.

ICNU requests a two-day extension of time to file only one exhibit, Highly Confidential Exhibit ICNU/104 and its associated workpapers. Highly Confidential Exhibit ICNU/104 includes third party proprietary data from the IntercontinentalExchange ("ICE"). ICNU has requested permission from ICE to utilize the confidential data in this proceeding, and has been informed that permission is likely to be provided. ICE, however, has stated that it will not be able to provide such permission today. Without ICE's permission, ICNU cannot file Highly Confidential Exhibit/104 as drafted. ICNU has been informed that ICE will provide its answer to ICNU by the close of business on Monday, June 27, 2011.

Therefore, ICNU requests a two-day extension of time to file Highly Confidential Exhibit ICNU/104 and its associated workpapers by June 28, 2011.

Thank you for your consideration of this request
