**Re: UE 248 – Idaho Power Company’s General Rate Revision Application for
Authority to include the Langley Gulch Power Plant Investment in Rate Base.**

Dear Judge Arlow:

The parties to this docket have reached a settlement in principle resolving all the issues in this case. The current procedural schedule requires Staff and Intervenors to file opening testimony on August 29, 2012. Because the parties have reached an agreement in principle, Idaho Power requests the suspension of the procedural schedule to allow the parties to finalize and file settlement documents. All the parties to this docket support this request.

Thank you for your attention to this matter.

Very truly yours,

Adam Lowney
