UE _____

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY

Request for a General Rate Revision

**MOTION FOR A GENERAL
PROTECTIVE ORDER**

EXPEDITED CONSIDERATION REQUESTED

Pursuant to ORCP 36(C)(7) and OAR 860-001-0080(1), Portland General Electric Company ("PGE") requests the issuance of a General Protective Order in this proceeding. PGE believes good cause exists for the issuance of such an order to protect confidential market information and confidential business information, plans and strategies. In support of this Motion, PGE states:

1. PGE will file a general rate case on February 13, 2014.
2. Some of the work papers supporting the rate case filing, including responses to Commission Staff's Standard Data Requests, contain confidential information regarding PGE's natural gas, electric, and coal market activities as well as other confidential business matters. This information will include PGE's proprietary modeling code, PGE's timing of and expected prices for electricity purchases, PGE's timing of and expected prices for natural gas purchases, PGE's forward position for electricity, PGE's forward position for natural gas, and whether, and the amount by which, PGE is long or short for electricity and natural gas during various periods in 2014 and 2015. This information is confidential commercial information and/or trade secrets under ORCP 36(C)(7).
3. PGE would like to file with the Commission a complete set of work papers with its initial testimony, and requests expedited consideration of this motion.

4. PGE also anticipates that parties participating in this docket will make further requests for confidential information. PGE further anticipates it will be required to file periodic updates containing confidential information in this proceeding.

5. While PGE desires to provide parties with requested information, the information is of significant commercial value, and its public disclosure could be detrimental to PGE and its customers. The information discloses PGE's position, strategy, and future needs to purchase and sell electricity, natural gas, and coal. If other parties involved in the wholesale electricity, natural gas, and coal markets obtained this information, they could use it to the financial harm of PGE and its customers.

6. The Commission should, therefore, issue a Protective Order to protect the confidentiality of that material. The requested order, identical to the one that the Commission customarily issues, is attached.

For the reasons stated above, PGE requests that a protective order be issued in this proceeding.

DATED this 6th day of February, 2014.

2015 Request for a General Rate Revision

ORDER

DISPOSITION: MOTION FOR PROTECTIVE ORDER GRANTED

On February 6, 2014, Portland General Electric Company ("PGE") filed a Motion for a Protective Order with the Public Utility Commission of Oregon ("Commission"). PGE states that good cause exists for the issuance of such an order to protect confidential business information, plans, and strategies. Specifically, PGE states that the work papers to be filed with its general rate case testimony in this docket will include confidential information such as its proprietary modeling code, timing of and expected prices for electricity and natural gas purchases, and its forward position for electricity and natural gas, along with other confidential information. PGE adds that the public release of such information could prejudice PGE and its customers.

Pursuant to OAR 860-001-0080(1), I find that good cause exists to issue a Protective Order, attached as Appendix A. Under the terms of the order, a party may designate as confidential any information that falls within the scope of ORCP 36(C)(7).

Confidential Information shall be disclosed only to a "qualified person" as defined in paragraph 3 of the Protective Order. Authors of the confidential material, the Commission or its Staff, and counsel of record for a party or persons directly employed by counsel are "qualified persons" who may review confidential information. Other persons desiring confidential information must become qualified pursuant to paragraph 10.

To receive confidential information, however, all parties—with the general exception of Staff—must sign the Consent to be Bound Form attached as Appendix B. This includes the party seeking the issuance of the protective order, because any party may designate information as confidential under this order.

ORDER NO.

The confidentiality of confidential information shall be preserved for a period of five years from the date of the final order in this docket, unless extended by the Commission at the request of the party desiring confidentiality.

All persons who are given access to confidential information have the duty to monitor their own conduct to ensure their compliance with the Protective Order. Such persons shall not use or disclose the information for any purpose other than the preparation for and conduct of this proceeding, and shall take all reasonable precautions to keep the confidential information secure. If any questions exist as to the status of any person to receive confidential information, the parties may contact the Administrative Hearings Division at (503) 378-6678.

ORDER

IT IS ORDERED that the Protective Order, attached as Appendix A, shall govern the disclosure of confidential information in this case.

Made, entered, and effective on _____.

A party may appeal this order to the Commission pursuant to OAR 860-001-0720.

A motion must describe in detail the intermediate measures, including selected redaction, explored by the parties and explain why such measures do not resolve the dispute. This paragraph does not apply to the Commission or its Staff.

The party resisting disclosure has the burden of showing that the challenged information falls within ORCP 36(C)(7). If the party resisting disclosure does not respond to the motion within ten (10) calendar days, the challenged information shall be removed from the protection of this order.
