

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 375

In the Matter of
PACIFICORP d/b/a PACIFIC POWER,
2021 Transition Adjustment Mechanism

UNOPPOSED EXPEDITED MOTION
FOR EXTENSION FOR STAFF AND
INTERVENORS TO FILE OPENING
TESTIMONY AND EXHIBITS

Sierra Club requests that ALJ Rowe grant a one-day extension for Staff and intervenors to file opening testimony and exhibits from Thursday, May 14, 2020 to Friday, May 15, 2020. The Commissioner's workshop, which will cover issues relevant to this proceeding and of interest to both Staff and multiple intervenors, will be held on May 12, just two days before testimony and exhibits must be filed with the Commission. Sierra Club and other parties anticipate that information received during the workshop will be relevant and incorporated into opening testimony. Due to the extremely short time period between the workshop and the filing deadline, Sierra Club respectfully requests an additional, single day for Staff and intervenors to file opening testimony and exhibits. Without the requested extension, Sierra Club and other parties will be unable to fully prepare their opening testimony.

In light of the May 14 deadline for Staff and intervenors to file opening testimony and exhibits, Sierra Club requests that the Commission consider this motion on an expedited basis. On May 7, 2020, Sierra Club contacted the parties to this proceeding regarding this motion. Alliance of Western Energy Consumers and Oregon Citizens' Utility Board support this motion. Staff, Klamath Water Users Association, Calpine Solutions, and Vitesse do not oppose this motion. PacifiCorp has indicated that it takes "no position," and Northwest and Intermountain Power Producers Coalition have not communicated a position on the motion.
