**Re: Docket No. UM 1302**

Dear Judge Power:

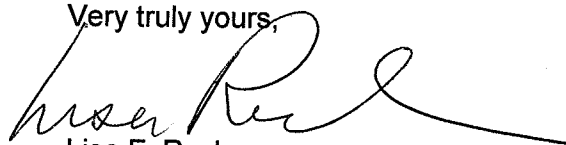

I am writing to inform you about the status of the docket, and to request on behalf of all parties a change to the current schedule.

Yesterday the parties attended a workshop held at PGE's Portland offices. Prior to the workshop the parties circulated proposed versions of Guideline 8, and Commission Staff circulated a straw proposal version. While the parties made substantial progress in their discussions, all agreed that some additional process—beyond that contemplated by the current schedule—would be helpful. For that reason, the parties propose an additional round of comments as follows:

September 6	Staff will circulate to the other parties a Staff Proposal for Guideline 8
September 13	All parties will file Comments on Staff's Proposal
September 26	All Parties will file Final Comments in the docket

We hope this revision to the schedule will be acceptable.

Very truly yours,

Lisa F. Rackner
