Enclosure

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1854

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY

Application to Lower the Standard Price and
Standard Contract Eligibility Cap for Solar
Qualifying Facilities.

**PORTLAND GENERAL ELECTRIC
COMPANY’S MOTION TO MODIFY
PROCEDURAL SCHEDULE**

Expedited Consideration Requested

Pursuant to OAR 860-001-0420, Portland General Electric Company (“PGE”) respectfully requests modification of the procedural schedule in the above-captioned matter. Specifically, PGE requests that Chief Administrative Law Judge Michael Grant extend all deadlines in the existing schedule by five weeks such that the first deadline (Staff and Intervenor Response Testimony) would be moved from April 13, 2018, to May 18, 2018.

Stakeholders in this proceeding are making progress toward settlement. The parties are attempting to finalize a settlement so that they can file a settlement proposal with the Public Utility Commission of Oregon for its consideration and approval consistent with the requirements of OAR 860-001-0350. In order to facilitate these efforts, PGE seeks a five-week extension of all deadlines in the current procedural schedule.

Intervenors Community Renewable Energy Association, Renewable Energy Association, Northwest and Intermountain Power Producers Association, and Renewable Northwest support an indefinite stay of the procedural schedule rather than PGE’s proposal for a five-week modification of the schedule. PGE does not seek or support an indefinite stay of the procedural schedule at this time. PGE is willing to continue to explore settlement but believes there should be an appropriate deadline for moving forward with this matter if settlement cannot be achieved.

PGE has already agreed to several extensions of the schedule in this proceeding to accommodate settlement discussions. PGE is hopeful that settlement can be reached, but if it is not then PGE seeks the prompt resolution of this matter in the interest of its customers. As a result, PGE opposes any indefinite suspension of the procedural schedule.

PGE requests expedited consideration of this request to modify the procedural schedule. Under the current schedule, Staff and Intervenors are required to file their response testimony tomorrow—Friday, April 13, 2018. PGE requests that ALJ Grant enter an immediate ruling extending all existing deadlines by five-weeks such that Staff and Intervenors response testimony would be due May 18, 2018.

DATED this 12th day of April, 2018.

Respectfully submitted,
