OF OREGON

UM 1897

In the Matter of
HYDRO ONE LIMITED,
Application for Authorization to Exercise
Substantial Influence over the Policies and
Actions of AVISTA CORPORATION.

MOTION TO ADMIT FIRST AMENDMENT
TO STIPULATION

Pursuant to OAR 860-001-0350(7)(b), Hydro One (“Applicant”) and Avista; the Staff of the Public Utility Commission of Oregon (“Staff”); the Alliance of Western Energy Consumers (“AWEC”)¹; and the Laborers’ International Union of North America with its affiliated District Council and Local Unions (“LIUNA”)² offer this First Amendment to the Stipulation, previously filed on May 25, 2018. The First Amendment to the Stipulation settles all issues in this case, including the issues raised in rounds of supplemental testimony required by Chief Administrative Law Judge Grant and discussed at the Commissioner Workshop held on October 22, 2018. All parties to this docket, excluding the Oregon Citizens’ Utility Board (“CUB”), have joined in the final settlement. Hydro One and Avista have conferred with the parties, and no party, including CUB³, objects to this Motion.

RESPECTFULLY SUBMITTED this 13⁺⁴ day of November, 2018.

¹ Formerly known as the Northwest Industrial Gas Users (“NWIGU”).

² LIUNA was represented by the Oregon and Southern Idaho District Council of Laborers (“OSIDCL”).

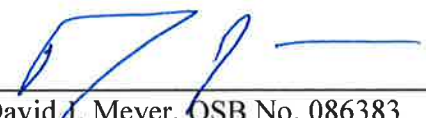

³ While CUB does not join in the First Amendment to the Stipulation, believing it does not satisfy all of its concerns, it nevertheless does not object to the admission of the First Amendment to the Stipulation.
