

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

WACONDA SOLAR, LLC,

Complainant,

v.

PORTLAND GENERAL ELECTRIC
COMPANY,

Defendant.

DOCKET NO. UM 1971

**REQUEST TO DELAY PRE-
HEARING CONFERENCE**

The parties in this proceeding, Waconda Solar, LLC (“Waconda Solar”), and Portland General Electric Company (“PGE”), participated in a pre-hearing conference on June 6, 2019 in this case, during which it was determined that they would continue discussions about a procedural schedule to govern this case. On June 11, 2019, the Administrative Law Judge set the date for a subsequent pre-hearing conference for June 19, 2019.

The parties now propose a one-week deferral of this afternoon’s pre-hearing conference, so that they can continue to explore whether they can reach an agreement on a procedural schedule in this matter. The parties will work with the Administrative Hearings Division to arrange a time that works for the Administrative Law Judge in this matter, but suggest that some time on June 26th or the afternoon of July 27th would work for the parties. Waconda Solar is filing this request on behalf of both parties.

Respectfully submitted this 19th day of June, 2019.
