Hi Candice,

Waconda Solar and PGE continue to be engaged in discussions around how to process this case and its scope, and we would like to move tomorrow's prehearing conference out by around two weeks in order to allow us to determine our respective positions on how this case should be processed, and also see if we can reach an agreement. I recognize that the date for the prehearing conference has shifted multiple times in the past, and thus we are asking for two weeks to try to ensure that we have enough time to complete these discussions.

Please let me know if you have any questions or need us to do anything more.

Thank you very much,
