Enclosure

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

**UM \_\_\_\_\_**

In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY’S,

2018 Renewable Portfolio Standard  
Compliance Report.

**Petition for Waiver of  
OAR 860-083-0350(1)(a) and  
Extension Request**

Pursuant to OAR 860-083-0005(2), Portland General Electric Company (PGE or the Company) respectfully requests that the Commission extend the June 1 filing requirement contained in OAR 860-083-0350 (1)(a), which requires the Company to file annually, on or before June 1, a report with the Commission demonstrating compliance, or explaining its failure to comply, with the applicable renewal portfolio standard compliance requirement. PGE requests an extension of the deadline to complete the Report from June 1, 2019 through June 17, 2019.

**A. Discussion.**

PGE is requesting this extension to allow for adequate time for preparation, and review of materials required to write the report. Due to competing regulatory priorities and staff turnover/personnel movement within PGE, PGE requests this additional time to file its 2018 Renewable Portfolio Standard Compliance Report. PGE has conferred with Commission Staff, who have no objection to this request

PGE believes this requested extension will cause no harm to PGE’s customers, potential competitors, or the Company.
