STAFF'S MOTION MODIFY THE
PROCEEDURAL SCHEDULE

Expedited Consideration Requested

10 Staff of the Public Utility Commission of Oregon (Staff) moves to modify the procedural
11 schedule for this docket, extending the deadline for straw proposals. Expedited consideration is
12 requested as the currently scheduled deadline for straw proposals is January 31, 2024. Staff
13 contacted the parties to this docket via email regarding this motion on January 11, 2024.
14 PacifiCorp and Northwest and Intermountain Power Producers Coalition (NIPCC) do not oppose
15 the motion. Staff received no responses from other parties.

16 Staff proposes an extension of time for filing straw proposals until February 29, 2024.
17 This change will allow needed time for parties to develop robust proposals which address the
18 many interconnected issues in this docket. Staff does not propose any additional changes to the
19 procedural schedule.
20

21 For the foregoing reasons, Staff asks that the ALJ grant the above request to modify the
22 procedural schedule. Given that Straw Proposals are currently due January 31, 2024, Staff
23 requests expedited consideration of this motion, with a reduced response time of one day.
