Re: UM 2276 Justice Funding Pre-Certification Annual Grant  
August Report Filing Extension Request

Dear Judge Moser,

Rogue Climate has been and continues to prepare its August Report but is unable to meet the August 1<sup>st</sup> deadline and seeks a one week extension. I have had contact with other grantees and understand that Oregon Just Transition Alliance, Verde and Community Energy Project also need or will appreciate the additional time. Please let me know if you have any questions.

Yours truly,

/s/ Tonia Moro
