Re: Request for protective order under Docket UP 320

Attn. PUC Filing Center,

Regarding Docket UP 320, I anticipate having to file confidential information and am seeking a protective order. I plan to file the agreement to purchase Shady Cove Waterworks under the protective order. This protective order is needed to protect confidential business information and propriety financial information. Additionally, the seller (AmericanWest Bank) stipulated that the entire contract be kept confidential due to the impact the information contained within could have on the seller's ability to successfully negotiate the sale of other special assets.

Sincerely,

Silas Olson
