4. The nature and extent of the Petitioner's interest in the proceeding is:

In pursuit of our mission to decarbonize the Northwest, we actively participate in proceedings and discussions related to utility resource planning and procurement processes. Renewable Northwest has been an active stakeholder in Portland General Electric's, PacifiCorp's, and Idaho Power's 2019 Integrated Resource Plans ("IRP"), as well as PacifiCorp's 2020 All-Source Request for Proposals (Commission Docket No. UM 2059) and many utility planning and solicitation processes in other states. We also participated in PacifiCorp's interconnection queue reform process at FERC and have worked on the implementation of Governor Brown's Executive Order EO 20-04 and the development of Oregon's 100% clean electricity law, HB 2021 (2021). Accordingly, no other party can adequately represent Renewable Northwest's interest in this proceeding.

5. The issues the Petitioner intends to raise at the proceeding are:

Renewable Northwest intends to participate as a party and raise issues that are appropriate to the proceeding.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

Renewable Northwest has a long history of participating in discussions and regulatory proceedings related to utility resource planning and procurement to support fair and robust resource decisions, as discussed above.

7. Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding as an intervenor. I or the organization that I represent will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
