3. ICNU is an incorporated, non-profit association of large industrial electric customers in the Pacific Northwest, with offices in Portland, Oregon. A list of ICNU members is included as Attachment A. Many members of ICNU are customers of Portland General Electric Company ("PGE"), as indicated on Attachment A.

4. ICNU has a substantial interest in the impacts of PGE's 2013 General Rate Case ("GRC"). The proposed rate change under the terms of PGE's GRC would substantially and directly affect those of ICNU's members who purchase power from PGE. ICNU requests leave to intervene in this Docket to represent its members who are affected by the operation of PGE's GRC.

5. ICNU represents the interests of many of PGE's largest customers. ICNU has participated in prior PGE general rate cases, including Docket Nos. UE 180, UE 197, and UE 215, as well as PGE's most recent net variable power cost proceedings, Docket Nos. UE 181, UE 198, UE 208, and UE 228. ICNU's intervention in this proceeding will assist the Commission in resolving the issues in this proceeding and will not unreasonably broaden the issues, burden the record, or unreasonably delay this proceeding.

6. As described above, ICNU has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by

any Commission determination made in connection with these proceedings. It is in the public interest to allow ICNU to intervene in this proceeding.

WHEREFORE, ICNU respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding.

Dated this 19th day of February, 2013.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
