☒ List of Members attached

4. The nature and extent of the Petitioner's interest in the proceeding is:

Franchise fees.

5. The issues the Petitioner intends to raise at the proceeding are:

As directed in OPUC Order 12-500: (1) develop a volumetric franchise fee rate element that would be avoided by any customer taking direct access service; and (2) devise a protocol for giving notice to affected local governments whenever one of their retail customers chooses direct access service.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

The League of Oregon Cities has consistently advocated on behalf of a city's right to manage its own rights of way and to receive compensation when an entity profits from using this public resource.

After reviewing Judge Grant's notice of prehearing conference and memorandum, the League would like to draw attention to the suggested deadline for petitions to intervene, which is listed as March 4, 2013. Please note that if a city requires city council authorization before it can file a petition to intervene (and most do), interested cities cannot meet this deadline unless a city council meeting happens to occur before March 4.

7. Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding as an intervenor. I or the organization that I represent will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
