**UM 1208**

In the Matter of	)	Petition to Intervene
PACIFICORP	)	of the
Draft 2012 Request for	)	<b>Oregon State Public</b>
Proposals	)	<b>Interest Research Group</b>

The Oregon State Public Interest Group (OSPIRG) hereby petitions to intervene in the above-referenced proceeding as an intervenor party pursuant to OAR 860-13-021. In support of this Petition to Intervene, OSPIRG asserts the following:

A. OSPIRG's business address is: 1536 SE 11<sup>th</sup> Ave.  
Portland, OR 97214

B. OSPIRG waives paper service and will be represented by OSPIRG's Advocate Jeremiah Baumann who is designated for service of all documents at the following address:

C. OSPIRG is a statewide nonprofit nonpartisan organization that advocates for the public interest. For more than thirty years, OSPIRG has advocated in multiple public forums for environmental protection, a fair and sustainable economy, and responsive democratic government. Energy policy and energy resource use has been a major area of concern, particularly regarding the impacts on the environment of energy decisions in the state of Oregon and the impacts on Oregon consumers as ratepayers. OSPIRG has 32,000 members across the state of Oregon.

D. OSPIRG has an interest in ensuring that PacifiCorp's resource decisions are protective of ratepayers and the environment, particularly with regards to Oregon's contribution to global warming. OSPIRG also represents many PacifiCorp ratepayers.

Acknowledging that proceedings have already begun at this date, OSPIRG asserts that involvement will not delay the proceeding, nor will OSPIRG involvement unreasonably broaden the issues addressed. OSPIRG offers the proceeding expertise in environmental policy, global warming, and energy resource policy at the state and federal level.

For this, and the reasons stated above, OSPIRG respectfully requests to intervene in this matter.

Dated this 16<sup>th</sup> day of September, 2006.

Respectfully submitted,
