Pursuant to ORS § 756.525 and OAR § 860-012-0001, the Industrial Customers of Northwest Utilities (“ICNU”) petitions the Oregon Public Utility Commission (“OPUC” or the “Commission”) to intervene in this proceeding with full party status as described in OAR § 860-011-0035(7). In support of this petition, ICNU represents as follows:

1. The business address of ICNU is:

The Commission's decision in this proceeding could have an impact on the rates for service to ICNU's members.

5. ICNU has participated in many proceedings before the Commission, including Docket No. UE 180, in which the Commission decided to open this new generic docket to examine the appropriate method for forecasting forced outage rates. Order No. 07-015 at 15 (January 12, 2007).
