2. This Intervenor, the Northwest & Intermountain Power Producers Coalition, ("NIPPC") is a trade association whose members and associate members include independent power producers active in the Pacific Northwest and Western energy markets. One of the purposes of the association is to promote regulatory policies that permit the robust development of independent power production projects.

3. This Intervenor, in its capacity as a representative of its members intends to participate herein as a party, and if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

5. Without the opportunity to intervene herein, this Intervenor would be without any means of participation in this proceeding which may have a material impact on the ability of its members to participate in the renewable energy market.

6. Granting this Intervenor's petition to intervene will not unduly broaden the issues nor will it prejudice any party to this case.

7. Mr. Kahn and Mr. Richardson hereby waive paper service in this matter.

**WHEREFORE**, the Northwest & Intermountain Power Producers Coalition respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, present argument and to otherwise fully participate in these proceedings.
