**NATURE AND EXTENT OF THE PETITIONER'S INTEREST IN THE PROCEEDING:**

I'm a customer of Seavey Loop Water Company and can not solicit water usage from another utility company.

**THE ISSUES THE PETITIONER INTENDS TO RAISE AT THE PROCEEDING:**

Questions & comments pertaining to the rate increase including, but not limited to; capital investments into our system, yearly cost of running our utility vs profits, validity of the desire to raise our rates by 131% since our utility was purchased. Request for records of any independent analysis/recommendation justifying the "improvements" made to our utility system, the cost of the repairs, as well as if the repair/upgrades performed were done so after allowing for bidding through multiple contractors.

**ANY SPECIAL KNOWLEDGE OR EXPERTISE OF THE PETITIONER THAT WOULD ASSIST THE COMMISSION IN RESOLVING THE ISSUES IN THE PROCEEDING:**

I live down the street from the well and have been a customer for the last 6 years, including when our utility was owned by the prior company.

Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding as an intervenor. I or the organization that I represent will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
