Amendment One

I. ARTICLE I. CENTURYLINK NO LONGER REPRESENTS AND WARRANTS THAT IT IS A “RURAL TELEPHONE COMPANY” AS THAT TERM IS DEFINED IN THE ACT, 47 U.S.C. 153.

II. ARTICLE II. WHOLESALE DISCOUNT APPLICABLE TO LOCAL SERVICE RESALE

1.0 Pricing

1.1 Calculation of the Wholesale Discount and the Resulting Resale Rate. The prices charged to Granite for local services shall be calculated as follows:

1.1.1 The Wholesale Discount as specified in Section 3.0 below shall apply to the monthly retail rate of all Telecommunications Services made available for resale except those services excluded from resale or from receiving the Wholesale Discount as set forth in Section 2.0 below or Applicable Law.

1.1.2 The Wholesale Discount dollar amount will be deducted from the monthly retail rate of the Telecommunications Service.

1.1.3 The resulting discounted rate is the monthly resale rate of the Telecommunications Service.

1.2 Promotions. CenturyLink shall make available for resale those promotional offerings that are greater than ninety (90) days in duration, and any such promotional offering that is made available for resale will be subject to the Wholesale Discount. CenturyLink shall make available for resale those promotional offerings that are less than ninety (90) days in duration; however, any such special promotional rate will not be subject to and may not be used with the Wholesale Discount. For promotional offerings that are less than ninety (90) days in duration, Granite may choose either the promotional rate or the retail rate after the Wholesale Discount at its discretion. In all cases, in order to obtain a promotional offering, Granite must qualify for the promotional offering under the stated terms of the offering and must request the offering at the time of order placement. Granite shall not be eligible for any post-provisioning retroactive applicability of a promotional offering.

1.3 Nonrecurring Charges. The Wholesale Discount does not apply to non-recurring charges (NRCs), whether such NRCs are contained in this Agreement or in CenturyLink’s applicable retail Tariffs or Price Lists.

2.0 Limitations and Restrictions on Resale

- 2.1 To the extent consistent with Applicable Law, Granite may resell local services to provide Telecommunications Services to its End User Customers. In addition to the limitations and restrictions set forth in this Section, CenturyLink may impose other reasonable and non-discriminatory conditions or limitations on the resale of its Telecommunications Services to the extent permitted by Applicable Law.
- 2.2 Promotional Offerings Lasting Less Than 90 Days. The Wholesale Discount does not apply to CenturyLink's promotional offerings where (i) such promotions involve rates that will be in effect for no more than ninety (90) days, and (ii) CenturyLink does not make such promotions available as sequential ninety (90)-day promotions. However, Granite may resell CenturyLink promotional offerings that last less than ninety (90) days subject to the terms of Section 1.2 above.
- 2.3 Advanced Telecommunications Services Sold to ISPs. Advanced telecommunications services ("Advanced Services") sold to Internet Service Providers (ISPs) as an input component to the ISPs' retail Internet service offering shall not be available for resale by Granite under the terms of this Agreement.
- 2.4 Customer-Specific Pricing Agreements. Granite may purchase CenturyLink customer-specific service offerings for resale to any customer who would have been eligible to take such offering directly from CenturyLink. However, the Wholesale Discount does not apply to such offerings. Where Granite and CenturyLink are competing at retail for the same customer, CenturyLink will calculate the retail price without unreasonable delay.
- 2.5 OS/DA. The Wholesale Discount shall not apply to Operator Services (OS) or Directory Assistance (DA) services provided to Granite's End Users by CenturyLink's OS and DA vendors.
- 2.6 Special Access Services. Granite may purchase for resale special access services; however, the Wholesale Discount shall not apply.
- 2.7 COCOT Coin or Coinless Lines. Granite may purchase for resale COCOT coin or coinless line services; however, no Wholesale Discount applies.
- 2.8 Grandfathered Services. Services identified in CenturyLink's applicable Tariffs or Price Lists that are grandfathered in any manner are available for resale only to End User Customers that already have such grandfathered service. An existing End User Customer may not move a grandfathered service to a new service location. If an End User's grandfathered service is terminated for any reason, such grandfathered

service may not be reinstalled. Subject to the foregoing, grandfathered services are subject to the Wholesale Discount.

- 2.9 Universal Emergency Number Service. Universal Emergency Number Service is not available for resale. Universal Emergency Number Service (E911/911 service) is provided with each local Telephone Exchange Service line resold by Granite whenever E911/911 service would be provided on the same line if provided by CenturyLink to a CenturyLink retail End User Customer.
- 2.10 Services provided for Granite's Own Use. Telecommunications Services provided directly to Granite for its own use or for the use of its subsidiaries and affiliates and not resold to Granite's End User Customers must be identified by Granite as such, and does not qualify for the Wholesale Discount. Granite will pay CenturyLink's retail prices for such services.
- 2.11 Access to Certain Parties. Granite shall not use resold local Telecommunications Services to provide access or interconnection services to itself, its subsidiaries and affiliates, Interexchange Carriers (IXCs), wireless carriers, competitive access providers (CAPs), or any other telecommunications carriers or information or internet service providers; provided, however, that Granite may permit its End User Customers to use resold local exchange telephone service to access IXCs, wireless carriers, CAPs, or other retail telecommunications providers. Notwithstanding the foregoing, Granite may sell resold local exchange telephone service to an End User Customers who are telecommunications carriers or information or internet service providers if such End User Customers are the retail users of such resold service (e.g. at retail stores, corporate locations or business offices) with the express understanding that such resold service cannot be used by such End User Customers, in whole or in part, to provide Telecommunications Services or any other service to third parties, whether as a component part or as an entire service.
- 2.12 Volume and/or Term Discounts. Granite may resell services that are provided at a volume and/or term discount in accordance with the terms and conditions of the applicable Tariffs or Price Lists.
