1. Order No. 22-192 in Docket UE 401 approved amortization of \$501,414 in deferred COVID-19 incremental costs and savings through December 31, 2021, effective June 1, 2022. As a result, Idaho Power has reported only those COVID-19 incremental costs and savings that have been recorded beginning January 1, 2022, which now includes only costs associated with the Arrearage Management Program.

2. Order No. 23-185 in Docket UE 417 approved amortization of \$163,167 in the deferred COVID-19 Arrearage Management Program costs through May 31, 2023, effective June 1, 2023. Because there will be no additional COVID-19 incremental costs, no additional amounts will be deferred.
