**RE: RE 185—PacifiCorp’s COVID-19 Costs, Savings, and Benefits Quarterly Report—
January 1, 2021 through September 30, 2021**

In compliance with the Stipulated Agreement on the Effects of the COVID-19 Pandemic on Energy Utility Customers approved by the Public Utility Commission of Oregon (Commission) in Order No. 20-401, PacifiCorp d/b/a Pacific Power (PacifiCorp or Company) submits this quarterly report itemizing the Company’s costs, savings, and benefits resulting from COVID-19. The Company believes it is most meaningful to provide the information for the cumulative period of March 1, 2020 through September 30, 2021, rather than only the quarter ended September 30, 2021.

Bad Debt Expense

The Company is specifically tracking bad debt expense (FERC account 904). The Company calculates a provision for estimated bad debt expense on a monthly basis using historical write-offs (net of recoveries) as a percentage of the respective aging bucket. Those percentages are then applied to current aging buckets. The results of this monthly provision exercise, coupled with actual write-offs and recoveries, represents total bad debt expense. The Company estimates that Oregon bad debt expense is \$2,400,896 higher for the period of March 1, 2020 through September 30, 2021, than the amount collected in rates during that same time period due to the impacts of COVID-19. Please refer to Attachment A to this quarterly report for details.

Waived Late Fees

The Company estimates it has waived approximately \$6 million of late fees for Oregon customers through September 30, 2021 using the methodology defined in the Stipulated Agreement.

Waived Reconnection Fees

For the period of March 13, 2020 through December 31, 2020, the Company has waived \$238 in reconnection fees.

Bill Payment Assistance Funds

PacifiCorp’s COVID-19 bill payment assistance program started in the second quarter of 2021. The Company incurred \$7,416,167 in costs for this program through September 30, 2021.

Additional Costs and Savings

The Company has identified the following additional costs and savings directly related to the Company's actions to ensure safe working conditions for employees (amounts are through September 30, 2021, and are on a total-company basis, although PacifiCorp will only seek recovery of Oregon-allocated costs and savings):

- Increased labor and facility costs to enable social distancing: \$2,234,464;
- Increased costs for personal protective equipment, cleaning supplies and contact tracing: \$2,111,441;
- Increased technology costs to enable employees to work from home: \$503,870; and
- Reduced employee expenses related to travel and training: (\$11,889,190).

In addition, the Company estimates it has saved \$203,438 through September 30, 2021, as a result of the CARES Act.
