**Re: UM 1294 PGE – Annual Power Cost Variance Deferral**

Filing Center:

Staff requested that PGE continue to provide a monthly power cost report containing PGE's net variable power costs by specific accounts as well as PGE's power supply summary reports. This report is confidential and subject to Protective Order No. 07-088.

Attachment 1 includes a hard copy of two Excel worksheets: actual power costs by account and actual MWhs by resource. Both provide monthly data for January-November 2017.

Attachment 2 is the Excel spreadsheet from Attachment 1, provided in electronic format (CD). Both attachments are confidential and subject to the Protective Order No. 07-088 in Docket No. UM 1294 and are provided under separate cover.

Should you have any questions or require further information, please call me at 503-464-7805.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stefan Brown", is written over a light blue rectangular background.
