RE: Oregon Generator Interconnection Activities Report for 2014

Attention Filing Center:

Please find attached Idaho Power Company's annual report summarizing Idaho Power's interconnection activities for 2014. Filed in accordance with OAR 860-082-0065(3) and Order No. 10-132, this report includes a summary of all small and large generation applications and completions for the year. As the report indicates, in 2014, Idaho Power received 4 small generator project applications and no large generator project applications. As of the date of this filing, none of the small projects have advanced to a generation interconnection agreement and been placed into service.

Sincerely,

Lin D. Madstrom
