Re: RG 94 / UM 2114—NW Natural's Quarterly Report of Energy Utilities Reporting Items

On January 20, 2021, Northwest Natural Gas Company dba as NW Natural (NW Natural or Company) filed its compliance report for the month of December 2020 and the fourth quarter of 2020 in the above-referenced docket. Because the required due date for the report fell before NW Natural's parent company's fourth quarter earnings release, the Company filed a portion of the report with a confidential designation.

Northwest Natural Holding Company released its fourth quarter earnings on February 26, 2021; as a result, the Company's previously filed report no longer requires the confidential designation. The unredacted, non-confidential report is provided herein.

In addition, the Company supplements its previous filing by including the reporting requirement items h) and i) relating to medical certificate data.
