Subject: Idaho Power Company Responses to FERC Request for Additional Information for
Hells Canyon Complex FERC No. 1971

To Whom It May Concern:

This letter is being sent as a courtesy to the Oregon Public Utility Commission. Idaho Power filed with the Federal Energy Regulatory Commission (FERC) responses to FERC request for additional information for the Hells Canyon Complex license application.

The below link will take you to the FERC eLibrary to access the filed document. Please note you need to click the control key then click the link.
