Reference: Project Construction Agreement

On November 2, 2018, PacifiCorp submitted a Project Construction Agreement (Agreement) between PacifiCorp and Bonneville Power Administration.¹ PacifiCorp states that the Agreement sets forth the terms and conditions under which PacifiCorp will design, procure, and install modifications to its equipment at the Malin substation. The Agreement is accepted for filing, effective January 2, 2019, as requested.

The filing was noticed on November 5, 2018, with comments, protests, or interventions due on or before November 23, 2018. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PacifiCorp.

¹ The Agreement is designated by PacifiCorp as Rate Schedule No. 739.
