STIPULATION FOR ENTRY OF FINAL  
ORDER

10  
11           The Public Utility Commission of Oregon, appearing by and through Johanna M.  
12 Riemenschneider, Assistant Attorney General, and Source Landscaping, Incorporated, the  
13 Defendant herein, hereby stipulate as follows:

14   1.

15           A Complaint in this case is pending before the Commission charging the Defendant with  
16 two violations of law, which include one violation of OAR 952-001-0090(1) and one violation of  
17 OAR 952-001-0090(4), and proposing total civil penalties of \$2,000.

18   2.

19           Both parties to this proceeding are willing to forego further processing of that Complaint  
20 and further are willing to resolve this matter on the basis of this Stipulation.

21   3.

22           The Defendant admits that the violation was committed as alleged in the Complaint and  
23 is willing for the Commission to enter an order finding that the violation was committed as  
24 alleged in the Complaint.

4.

The parties further agree that the Commission may enter an order assessing civil monetary penalties against Defendant in the amount of \$2,000 under the following terms and conditions:

- A. Defendant must sign and return this Stipulation within 20 days of the date it was served upon (mailed to) Defendant.
- B. \$400.00 becomes due and payable on or before the 30<sup>th</sup> day following the Commission's entry of its order in this case.
- C. Payment must be by cashier's check or money order made out to the Public Utility Commission of Oregon, and the memo line of the money order must state the "NC 357" docket number in the caption of this Stipulation.
- D. Payment of the balance of the penalties (\$1,600) will be suspended and will be waived with no further penalties imposed for the violation alleged in the Complaint unless Defendant fails to comply with all of the terms of this Stipulation and all of the rules adopted by the Oregon Utility Notification Center (OUNC) under ORS 757.552 for a one-year period following the date of the Commission's entry of an order.
- E. Defendant must contact the OUNC Speakers Bureau online at www.digsafelyoregon.com or by calling (503) 232-1987 to arrange for and ensure that all of Defendant's employees that engage in excavation activity as part of their job duties, including but not limited to notifying the Oregon Utility Notification Center of proposed excavations, attend a training session on Oregon excavation laws within 45 days following the entry of the Commission's order.
- F. Defendant must contact Bill Walker at Cascade Natural Gas (CNG) by email William.Walker@cngc.com or by calling (541) 706-6290 and arrange for and ensure that all of Defendant's employees that engage in excavation activity as a part of their

1 job duties attend an operator safety presentation provided by CNG within 45 days  
2 following the entry of a final order.

3 G. Defendant must take a blank copy of the Training Verification form attached to this  
4 Stipulation as Attachment 1 to all required trainings scheduled under paragraphs 4.E.  
5 and 4.F. above. Defendant must ensure that all of its employees attending a required  
6 training sign a Training Verification form to verify attendance. A representative of  
7 the organization providing the training (Instructor) must sign the Training  
8 Verification form to verify that each person listed on the form completed the training.  
9 Defendant must return all completed training verification forms to Complainant at the  
10 address on the Form within 10 days of the date of the last training session and in no  
11 event later than 55 days following the date of the Commission's entry of an order in  
12 this docket.

13 H. In the event that Complainant contends that Defendant has not complied with all of  
14 the terms of this Stipulation and all OUNC rules for the one-year period, Complainant  
15 may reopen this proceeding and petition for imposition of all or a portion of the  
16 suspended penalties. In such case, Defendant is entitled to a notice and hearing on  
17 the basis upon which Complainant contends that compliance has not occurred.

18 I. Complainant's failure to enforce any provision of this Stipulation, or decision to  
19 waive any violation or nonperformance of this Stipulation in one instance, will not  
20 constitute a waiver by the Complainant of that provision, any other provision, or any  
21 other violation or nonperformance in another instance.
