UG 390

In the Matter of

CASCADE NATURAL GAS CORPORATION FIRST PARTIAL STIPULATION

Application for a General Rate Revision.

INTRODUCTION

1 This First Partial Stipulation ("Stipulation") is entered into to resolve cost of capital 2 issues in this case. The parties to this Stipulation are Cascade Natural Gas Corporation 3 ("Cascade" or "Company"), Public Utility Commission of Oregon Staff ("Staff"), the Oregon 4 Citizens' Utility Board ("CUB"), and the Alliance of Western Energy Consumers ("AWEC") 5 (individually, "Stipulating Party," and collectively, "Stipulating Parties"). The Stipulating Parties 6 are the only parties to this proceeding, and they expect this Stipulation will resolve the 7 following cost of capital components: Return on Equity ("ROE"), Cost of Long-Term Debt 8 ("LTD"), Capital Structure, and in aggregate Rate of Return ("ROR").

BACKGROUND

9 On March 31, 2020, Cascade filed a request for a general rate increase and revised 10 tariff sheets to become effective February 1, 2021 ("Initial Filing"). In the Initial Filing, the 11 Company proposed an increase to the Company's Oregon jurisdictional revenues of \$4.507 12 million, or approximately 6.67 percent over current rates.¹ The filing was suspended by the 13 Commission on April 7, 2020, per its Order No. 20-109. Administrative Law Judge Allan Arlow 14 convened a Prehearing Conference on May 14, 2020.

On June 2, 2020, the Stipulating Parties participated in a settlement conference to address cost of capital issues. As a result of the settlement discussions, the Stipulating Parties agreed to settle all issues in the docket regarding cost of capital. This Stipulation memorializes the Stipulating Parties' agreements reached at that time.

TERMS OF AGREEMENT

The Stipulation resolves the issues addressed below:

<u>Cost of Capital.</u> The Stipulating Parties agree to an overall ROR of 7.071
 percent, which is based on a capital structure of 50.0 percent equity and 50.0 percent long term debt, ROE of 9.40 percent, and LTD cost of 4.741 percent. This combination of capital
 structure and capital costs is shown in the table below.

Stipulated Cost of Capital			
	Percent of Total Capital	Cost	Component
Long-Term Debt	50.0%	4.741%	2.371%
Common Equity	50.0%	9.40%	4.700%

ORS 756.040.

4. This Stipulation sets forth the entire agreement between the Stipulating Parties
 and supersedes any and all prior communications, understandings, or agreements, oral or

5. This Stipulation will be offered into the record as evidence pursuant to OAR 860-001-350(7). The Stipulating Parties agree to support this Stipulation throughout this proceeding and any appeal, provide witnesses to sponsor this Stipulation at hearing, and recommend that the Commission issue an order adopting the Stipulation. The Stipulating Parties also agree to cooperate in drafting and submitting joint testimony in support of the Stipulation in accordance with OAR 860-001-0350(7).

6. If this Stipulation is challenged, the Stipulating Parties agree that they will continue to support the Commission's adoption of the terms of this Stipulation. The Stipulating Parties agree to cooperate in cross-examination and put on such a case as they deem appropriate to respond fully to the issues presented, which may include raising issues that are incorporated in the settlements embodied in this Stipulation.

7. The Stipulating Parties have negotiated this Stipulation as an integrated document. If the Commission rejects all or any material portion of this Stipulation or imposes additional material conditions in approving this Stipulation, any of the Stipulating Parties are entitled to withdraw from the Stipulation or exercise any other rights provided in OAR 860-001-0350(9). To withdraw from the Stipulation, a Stipulating Party must provide written notice to the Commission and other Stipulating Parties within five days of service of the final order rejecting, modifying, or conditioning this Stipulation.

8. By entering into this Stipulation, no Stipulating Party approves, admits, or consents to the facts, principles, methods, or theories employed by any other Stipulating Party in arriving at the terms of this Stipulation, other than those specifically identified in the body of this Stipulation.
