Re: UG 461: Avista Request for a General Rate Revision
Sierra Club and Climate Solutions Request for Update to Service List

Dear Filing Center,

Please update the service list in docket UG 461 to remove my name and add Noelia Gravotta (ngravotta@earthjustice.org). This will be a temporary update due to an upcoming planned leave.

Additionally, please update contact name for Climate Solutions. Party representative Greer Ryan is listed as "Ryan Greer" but it should be "Greer Ryan."

If you have any questions about this request, please do not hesitate to contact me.

Sincerely,

Jaimini Parekh
