INTEROFFICE CORRESPONDENCE**

**DATE:** June 10, 2015

**TO:** File through Roger White *RW*

**FROM:** Nicola Peterson *NAP*

**SUBJECT:** **Canby Telephone Association, Advice Letter No. 13  
Revises tariff rates for Intrastate Access Service as required by FCC Order  
No. 11-161 and subsequent order (DA 14-434) adopted March 31, 2014.**

I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing was originally submitted on June 1, 2015 and then a revision to sheet 235 was submitted on June 10, 2015. The filing will go into effect on July 1, 2015.

This filing revises Canby Telephone Association's Tariff PUC Or. No 3, Access Services, as required by FCC Order No. 11-161, released November 18, 2011, and subsequent Orders on Reconsideration.

This filing includes tariff revisions for the following seven (7) companies:

- Canby Telephone Association
- Clear Creek Mutual Telephone Company
- Eagle Telephone System, Inc.
- Molalla Communications Company
- Mt. Angel Telephone Company
- Nehalem Telecommunications, Inc.
- Scio Mutual Telephone Association

As required by the FCC, intrastate terminating access and reciprocal compensation rates will gradually be eliminated and replaced by a bill & keep process. For Rate of Return carriers, this phase down began on July 1, 2012 and is to be completed on July 1, 2020. This revision of tariffs represents step 4 of 9.

Other rate changes included in this filing are revised to be at parity with NECA's interstate switched access rates.

This filing will not cause the withdrawal of service, or conflict with other schedules and is revenue neutral.
