INTEROFFICE CORRESPONDENCE**

TO: File through Bryan Conway and Bruce Hellebuyck 

FROM: Stephen Hayes 

SUBJECT: CENTURYTEL OF OREGON AND CENTURYTEL OF EASTERN OREGON: (Docket No. PL67/Advice No. PL 17-003) Grandfathers Home Phone II Packaged Service.

I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing was submitted on June 28, 2017, and will go into effect on June 29, 2017. CenturyTel of Oregon and CenturyTel of Eastern Oregon (CenturyTel) propose to grandfather the Home Phone II Packaged Service.

While these packages will no longer be available to new customers CenturyTel states there is no change to the rates or to the service for existing customers. As long as CenturyTel offers the service/package and the customer makes no changes and remains at the same location the service will be available.

The services being grandfathered are in CenturyTel's Oregon Price List Packaged Services, Section 5, 1st Revised pages 46 through 48.

A telecommunications utility is allowed, under Oregon Administrative Rules (OAR) 860-032-0020(15), to grandfather a service without a sunset date by filing a tariff which designates the filing as grandfathered. Grandfathering a service without a sunset date is not considered abandonment of service under the rule. No sunset date is proposed in this filing for the grandfathered bundles, and therefore, this filing does not constitute an abandonment of service under the Commission's rules.

This filing will have little or no effect on annual revenues.
