In the Matters of

PACIFICORP, dba PACIFIC POWER,
2021 Integrated Resource Plan (LC 77),

and

Application for Approval of 2022 All-
Source Request for Proposals
(UM 2193).

**NOTICE OF SPECIAL PUBLIC
MEETING**

The Commission will hold a transmission workshop on issues that overlap in three dockets. In PacifiCorp's 2020 All-Source Request for Proposal proceeding, we committed to further engagement on the federal-state relationship around transmission decisions (Order No. 21-437). In PacifiCorp's 2021 Integrated Resource Plan proceeding, we raised initial questions about transmission cost modeling in Commission Workshop #1. In PacifiCorp's 2022 All-Source Request for Proposal, a bench request has been issued seeking more information on interconnection studies and interconnection procedures, among other issues. The transmission workshop will cover these topics. A more specific agenda will be posted in advance of the workshop.
