The Commission requests that members of the public wishing to provide oral comment on PacifiCorp's 2023 Integrated Resource Plan notify the PUC at least 24 hours before the meeting. Prior notice is not required, but it helps the Commissioners manage time for public comment and makes it more likely that all comments can be heard. At the appropriate time, the Chair will take comments from those who have made requests to speak in advance, and if time permits, from those indicating an interest to comment during the meeting. Due to time constraints, commenters that do not provide notice will not be guaranteed an opportunity to speak. If you would like to comment, please send an email puc.publicmeetings@puc.oregon.gov and provide your name, who you're representing, and what agenda item you would like to comment on.
