While oral arguments in both cases have been scheduled at the same time, they will be conducted separately, with arguments in docket UE 407 heard first and arguments in docket UE 412 heard second. Each argument will be structured as follows:

The Stipulating Parties may split their argument time between counsel for the Stipulating Parties should they wish; they may also make non-arguing counsel available to answer Commissioner questions.

Counsel should be prepared to address questions from the Commissioners starting within the first few minutes of their presentations. They should be prepared to address both the issues raised in testimony and briefs and the issues related to prudence review raised in the bench requests issued in dockets UE 407 and UE 412 on January 27, 2023 and February 7, 2023, respectively.
