

ISSUED: March 6, 2006

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

AR 475

In the Matter of a Proposed Rulemaking to)
Revise Division 038 Definitions and Rules)
Regarding Code of Conduct.) **RULING**

On December 14, 2005, I held a conference with the participants in this docket. It is my understanding that most, if not all, of the disputes have now been resolved. Therefore, by March 13, 2006, the participants are to file one of the following documents:

1. A copy of the agreed-upon rules, with necessary commentary, or
2. A status report indicating what issues are still unresolved. Participants must indicate whether the unresolved issues can be resolved by the participants, and if so, how much additional time is needed.

While I realize that there are many other pending matters for each of the participants, it is time to complete this rulemaking. I would like to take this matter to the April 11, 2006, public meeting.

Dated at Salem, Oregon, this 6th day of March, 2006.
