Rulemaking Regarding Transportation
Electrification Plans.

RULING

DISPOSITION: STAFF'S MOTION GRANTED

On August 26, 2019, Staff filed a motion to establish deadlines for filing the first transportation electrification plans pursuant to OAR 860-087-0020(2). After consulting with the electric companies subject to the rule, Staff and the electric companies propose the following schedule set forth below. Staff states that no party objects to its motion. I note that upon filing, the transportation electrification plan will be given a new "UM" docket number.

The following schedule of deadlines for filing the first transportation electrification plans is adopted:

EVENT	DATE
Portland General Electric Company's First Transportation Electrification Plan Due	October 1, 2019
Idaho Power Company's First Transportation Electrification Plan Due	November 1, 2019
PacifiCorp, dba Pacific Power's First Transportation Electrification Plan Due	February 3, 2020 ¹

Dated this 10th day of September, 2019, at Salem, Oregon.

Nolan Moser
Chief Administrative Law Judge

¹ Staff's motion proposed February 1, 2020, as the deadline for PacifiCorp's filing, but because that is a Saturday, the due date adopted is the following business day.
